# HOW TO SIGN UP YOUR CLUB TO PAYPAL

# Purpose of this guide

This document will guide your club secretary through the process of setting up a PayPal business account within the Whole Game System for your FA/CFA affiliated football club.

Once you have successfully created your club's PayPal account and set up your club's match fees in the payments portal, your club will be able to receive payments from players using PayPal in the FA Matchday App.

- ① Understanding your club's status
- ② Create your club's PayPal account
- ③ Verify your club's PayPal account
