

2024-25 YEL Knockout Competition Rules

These rules cover all YEL Cup competitions. These rules should be read in conjunction with YEL League Rules and YEL League Regulations. Anything not specifically covered in these rules will be as per YEL League Rules and League Regulations.

1. GENERAL

- I. Payment of the league entry fee will give, U9s teams and upwards, automatic entry to one of the knockout competitions. Any team not wishing to enter a cup competition, must notify the league no later than 30th September
- II. Teams will be placed into one of the YEL Cup competitions-at the discretion of the League
- III. The YEL Cup competitions are Saturday/Sunday depending on which section the team is entered into.
- IV. U7s/U8s will be invited into various events during the season. These are optional and an additional fee may apply.

2. PLAYING TIME

- I. The period of play shall be the same as league matches. In the event of the scores in a match being level at the end of normal time in all rounds preceding the semi final stage, extra time shall be played, in two equal periods of 10 minutes each way for 9v9 and 11v11 games and 5 minutes each way for mini soccer 5v5 and 7v7 games. Extra time in semi finals and finals shall be at the discretion of the league.
- II. In all rounds preceding the semi finals, if after extra time the scores are still level, then the result will be decided by the taking of kicks from the penalty mark in accordance with the Laws of the Game. If no extra time has been authorised by the league for the semi finals and final and should the scores be level at the end of normal time, the result will be decided by the taking of kicks from the penalty mark in accordance with the Laws of the Game. Five penalty kicks will be taken by each team. If an equal number of penalties are scored by each team, the remaining players on each team who were on the field at the end of normal time/any extra time, will take penalty kicks on a sudden death basis.

3. REFEREES, ASSISTANT REFEREES ETC

Referees will be allocated, where possible, by YEL Referees Appointments. All U11s and upwards finals will have a referee and assistant referees. U9 and U10 finals will only have a referee appointed.

4. PLAYERS

- I. All players shall have been registered and verified by the league prior to the original date of the match to qualify.
- II. **No player shall play for more than one Saturday team and one Sunday team in the same age group in any of the knock out competitions in the same season.**
- III. **U11s upwards** - No player shall be eligible to play in a semi final or final unless they have played at least THREE games for that team during the season – Qualifying games include Cup, YEL organised friendly or League matches. **U9s & U10s** – No player shall be eligible to play in a semi final or final unless they have played at least THREE games for that team during the season – Qualifying games include Cup, YEL organised friendly or League matches. In all age groups, eligibility will be confirmed by reference to FA Full-Time. It is therefore essential that teams keep FA Full-Time up to date and that match returns are fully and correctly completed. Players are not eligible to play if they have played for another team in a previous round of a cup competition in the same age group in the same season.
- IV. Any team playing an ineligible player shall be automatically disqualified from the competition and may be otherwise dealt with as the YEL Discipline Team may determine.
- V. The League may, at its discretion, reinstate teams to replace expelled teams
- VI. A match cannot take place when teams do not have the minimum numbers of players as shown in the table below. Any team that fails to play due to low numbers will be removed from the competition and the tie awarded to the opposing team unless the low numbers are caused by a school event previously notified to the league and accepted in writing by the league. Teams should wait a maximum 30 minutes after the appointed kick off time for the minimum number of players to start the game to arrive.

FORMAT	MINIMUM NUMBER
5v5	4
7v7	5
